

LANDON

7 Years Old

Diagnosed with Acute Lymphoblastic Leukemia (ALL) in September 2017 at Age 7

Landon is a red headed, freckled face, super shy, silly and sweet boy who was diagnosed on 9/11/17 with Acute Lymphoblastic Leukemia (ALL) shortly after he turned 7 years old. He's responding well to treatment. He loves being a big brother, Fortnite, LEGOs and having Nerf fights! He's a lover of spicy chicken wings and all kinds of animals!
