

# ZAC

## 18 Years Old

Diagnosed with Leukemia March 1st 2018  
At age 17

Zac is a wrestler from Red Mountain High School. He was diagnosed with Leukemia on March 1st & immediately began chemo and radiation sessions. He has several more months of aggressive treatment before moving to monthly treatments.

Zac looks forward to hitting the gym, playing drums at church, & being a normal kid again.

Think about all the smiling faces you have helped while you run or walk!
